Awaiting Test	4	9	9	12	22	20	11	3	12	14	9	4	10

This is self reported data subject to error, represents 70 designated 9-1-1 receiving hospitals.

Surge Capacity - hospitals can flex additional beds to serve ICU/Isolation patients as needed.

Several large hospitals that do not routinely receive 9-1-1 transports also have additional beds that would increase bed capacity in the system.
